WHAT IS I-DATO

i-Dato system is an exclusive membership platform designed to honor and reward individuals who have received prestigious accolades from Royalty Institution in Malaysia. This system not only symbolizes prestige but also provides tangible benefits through a dedicated mobile application. Members can enjoy special privileges, curated offers, and elite access across a wide network of partner merchants.

OBJECTIVE

- To establish a prestigious membership program backed by Royalty recognition.
- To offer members real-time access to benefits via a mobile application.
- To drive member engagement through exclusive privileges and a reward system.
